BAYSIDE MARRIAGE COACHING

OFFERING TOOLS FOR AN EXCEPTIONAL MARRIAGE

Philosophy of Bayside Marriage Coaching:

- ✓ GREAT Conversations.....not counseling
 - ✓ ENCOURAGEMENT by offering grace and hope
 - ✓ GREAT Friendshipsnot teaching and preaching
 - ✓ SHARING of life experiences and insights
 - ✓ CHRISTIAN perspective on healthy marriages
- You choose the time and place to meet with your Coach Couple.
 - The Marriage Coaches are all volunteers who are passionate about marriage. Our coaches attend annual training to expand their knowledge and ability to coach effectively.
 - Those couples seeking Marriage Coaching are prayerfully matched with coaches with similar backgrounds or experiences. Recipient couples will be matched with coaches who have been married for at least 10 years beyond the recipient couple.
 - The workbooks used in Marriage Coaching come from Biola University's Center for Marriage and Relationships, which uniquely combines the timeless wisdom of Scripture with scholarly marriage research. As you use the workbooks in conjunction with your coach couple's guidance, you will discover tools for an extraordinary marriage. The workbooks are provided for the nominal fee of \$30 for two workbooks paid to your coach at your first meeting.
 - We request that both husband and wife complete a separate Marriage Coaching Application:
