

BAYSIDE SINGLES

WE BELIEVE

- That an authentic and healthy community of single adults is not only fun, but God uses that community to transform our relationship with him and each other.
- That healthy relationships come out of healthy community. We expect all attendees to adhere to and promote the values below that create an atmosphere where we honor one another.

- We develop a friendship with someone before we ask them out, not after. **Romans 12:9-10**
- We are a friendly community. When someone smiles at us, we assume they are friendly. **Romans 12:16**
- We use good boundaries and say no when think we should say no. **Matthew 5:37**
- We don't gossip or say divisive things but instead encourage others. **Proverbs 20:19, 1 Thessalonians 5:11**
- Because of the purpose of dating, we don't date or spend one-on-one time with the opposite sex until our divorce is legal and final. We consider it adultery. **Matthew 5:28.**
- Because we know the importance of community even during the divorce process, we have other options outside of Singles we encourage your participation in. Please make an appointment to talk to the pastor before participating in Singles Ministry.
- We honor the privacy of others in our circles by keeping what they share private. **Proverbs 17:9**
- We are an alcohol free environment at all Bayside functions. **Romans 14:21**
- We support work and people's livelihood but ask that personal businesses are not promoted in our venues as it takes away from their purpose.
- We encourage positive table etiquette through listening without dominating or giving advice and sharing appropriately. We recognize your participation, even if you are not comfortable sharing.
